1. MOVING IN AND VACATING STORAGE UNITS

The minimum storage period is one (1) calendar month. STOR24 will endeavour to make the unit available on the agreed date, but access may be subject to availability and STOR24 will not be liable for reasonable delay. A defaulting Storer remains liable for all fees and any damages caused by failure to vacate on time. Contracts terminate on the last day of the calendar month; the Storer must notify STOR24 in writing by no later than the 15th of the month of an intention to vacate, failing which the full following month's fee remains payable. The unit must be vacated by 12h00 on the last day of the month, left clean and free of waste, and may only be vacated during office hours unless otherwise arranged. If the Storer fails to vacate after formal notice, this Agreement automatically renews on the same terms.

2. NATURE OF GOODS TO BE STORED

The Storer may not store anything that constitutes a fire hazard, is explosive, dangerous or an unstable chemical, is likely to cause injury, damage or infection, may attract vermin, has an offensive odour, or which may be a nuisance to other Storers or damage the facility. All goods must be securely packed. STOR24 reserves the right to require the removal of any item found to be in breach of this clause, at the Storer's cost. STOR24 has no knowledge of, and does not inspect, the goods stored, and the Storer remains solely responsible for complying with all applicable laws regarding the use of the unit.

3. ACCESS TO UNITS BY THE STORER

Access is available during normal business hours as displayed at the facility and communicated by STOR24 from time to time; access outside these hours may be available by prior arrangement. STOR24 may change access hours on reasonable notice. The Storer must comply with all on-site signage and directives. The Storer must supply their own lock(s) and must remove such locks on or before termination of this Agreement to allow STOR24 unimpeded access to the unit. STOR24 and its employees accept no liability for damage, loss or theft of keys left on site.

4. ACCESS TO UNITS BY STOR24

STOR24 reserves the right to inspect the storage unit or carry out maintenance to the unit or the facility, and may enter (including by breaking or removing a lock, if necessary) after giving the Storer 7 days' notice of its intention to do so. Notwithstanding the foregoing, STOR24 may access a unit without prior notice where it reasonably believes the unit contains a prohibited item under clause 2, where required to do so by the Police, Fire Services, a local authority or a court order, where necessary in an emergency, or to prevent injury or damage to persons or property.

5. DESTRUCTION OF OR DAMAGE TO THE FACILITY

If the facility is destroyed or damaged to the extent that it can no longer reasonably be occupied, this Agreement automatically terminates unless the parties agree otherwise in writing. STOR24 will determine, acting reasonably, the extent of the damage and whether the facility remains fit for occupation for the purpose of this clause.

6. RISK OF OWNERSHIP AND INSURANCE

The Storer warrants that they are the lawful owner or possessor of all property stored at the facility. All property is stored entirely at the Storer's risk. While STOR24 will implement reasonable security measures, STOR24 will not be liable for any loss or damage to stored property, whether caused by fire, malicious or accidental acts, theft or otherwise, save where such loss arises from STOR24's gross negligence or wilful misconduct. The Storer is responsible, at their own cost, for insuring all property stored under this Agreement.

7. STORAGE UNIT CONDITION AND USE

The unit may be used for storage and warehousing purposes only, and not for manufacturing, sale, or any other business activity, residential accommodation, or as a postal or business address, unless otherwise agreed in writing. The unit may not be fitted with nails, bolts, screws or adhesives to walls, floors or ceilings, and no structural alterations are permitted. The Storer must maintain the unit in the condition in which it was received, fair wear and tear excepted, and report any damage promptly to STOR24. The Storer is liable for damage caused by themselves, their agents, invitees or representatives.

8. RISK OF USING THE FACILITY

The Storer uses the facility — including all equipment, doors, gates, lifts, trolleys, roads and floor surfaces — entirely at their own risk, and confirms that they have observed all on-site signage and safety directives. The Storer indemnifies STOR24 against any claim of whatever nature arising from the Storer, their agents, contractors or invitees suffering harm, damage or loss on the premises, save where caused by STOR24's gross negligence or wilful misconduct.

9. DRIVING AND PARKING

Any vehicle driven or parked on the premises must comply with all regulations and the directions of facility staff or the parking operator.

10. DEPOSIT

Before taking occupation, the Storer must pay a deposit equal to one month's fee. This amount is refundable on vacating the unit in good order, and may not be used by the Storer as payment for fees during the currency of this Agreement or in lieu of the notice period.

11. PAYMENT

Fees (including VAT) are payable monthly in advance, free of bank charges, to the bank account nominated by STOR24. If occupation begins other than on the first day of a calendar month, the first payment will include a pro-rata amount for the remainder of that month plus the full fee for the following month. STOR24 may increase fees on one calendar month's written notice.

12. OVERDUE AMOUNTS AND COLLECTIONS

Interest on overdue amounts accrues at 24% per annum, calculated daily, from the due date until payment. Recovery costs, including legal costs on the attorney-and-client scale and collection commission, are for the Storer's account. Payments received are applied first to administrative charges and costs, then to accrued or unpaid fees.

The Storer consents that, until all amounts owing are paid, STOR24 shall have a lien over the goods stored. Should the Storer fail to pay fees due:

- after 7 days: STOR24 may deny or restrict the Storer's access to the unit, including by changing the lock ('lock-out'), for which a reasonable re-entry fee plus VAT applies; and
- after 60 days: STOR24 may treat the goods as abandoned and dispose of them, applying the proceeds against the amount owing and any costs of sale. The Storer remains liable for any shortfall.

If the goods cannot reasonably be sold, the Storer authorises STOR24 to otherwise dispose of them at the Storer's cost. Reasonable administration, collection, removal and disposal costs are for the Storer's account.

13. DOMICILIUM

The Storer chooses the address given in this Agreement's Schedule as their domicilium citandi et executandi for all purposes arising from this Agreement.

14. WAIVER OF RIGHTS

No indulgence, extension of time, or other conduct by STOR24 constitutes a waiver of any right under this Agreement or an estoppel against its enforcement.

15. SOLE RECORD OF AGREEMENT

This document, including its Schedule, constitutes the sole record of the agreement between the parties. No representation, warranty or arrangement not recorded here is binding, and no variation is valid unless reduced to writing and signed by both parties.

16. AMENDMENT

This Agreement may only be amended in writing, signed by both parties' authorised signatories. Oral amendment, or amendment by fax or email alone, is expressly excluded.

17. FICA AND IDENTIFICATION

The Storer agrees to provide STOR24 with proof of identity and proof of address as required under the Financial Intelligence Centre Act, and, where the Storer is a company or other entity, its founding/constitutional documents.

18. CONSENT TO CREDIT AND BACKGROUND VERIFICATION

The Storer irrevocably consents to STOR24 and/or its agents:

- performing a credit search with one or more registered credit bureaux at any time during this Agreement;
- recording any non-performance by the Storer with a registered credit bureau;
- requesting and using reports on the Storer's payment behaviour from STOR24's records or a credit bureau; and
- giving the Storer 20 business days' written notice before submitting adverse payment information to a credit bureau.

Please initial each page of these Terms and Conditions.
